

Office of Central Intelligence

DATE: 22 February 1974

TO: Messrs. [redacted]
and [redacted]

SUBJECT:

Attached is a copy of the promotion recommendation [redacted] to GS-15), which I showed you in draft on 21 February. I have retained the original momentarily because Hank Knoche is out of the building on a training course and will not be back until Monday, 25 February. I will get Knoche to sign the original in the block marked "concur" as soon as I can get hold of him on the 25th. (He has already agreed to this procedure and in fact has endorsed it warmly.) I am forwarding this copy so that the paperwork and processing on this action can be started as expeditiously as possible.
